

# PAL™

Pen and Labels

Convenience, Compliance and Safety

Design your own custom PAL labels with the **NEW** iPad app

# PAL™

## Pen and Labels

Comply with the Joint Commission's National Patient Safety Goals\* using Merit Medical's strategically designed medication labeling system.

Quickly and easily order all your custom medication labels with Merit's revolutionary iPad app. There is no other app on the market today that will allow you to customize all your hospital's medication labels right from an iPad while working with your Merit Medical Sales Representative.

Through the app, you'll be able to select critical drug information, including drug name, dosing, date and signatures while maintaining complete compliance with the Joint Commission. Contact your Merit Medical Sales Representative today for all your medication labeling needs and for a live demo of our state-of-the-art iPad app.

Design your own custom PAL labels with the fast and easy to use PAL app. PAL Labels are easier to read thanks to our **DYNAMIC FONT SIZING** that automatically adjusts the medication font to take up the maximum amount of room on your label. No more hard to read medications!

Clearly write with our fine point, smear resistant, sterile marker. The PAL pen can be added to any PAL set for your convenience. Labels are made with clear, particulate free polypropylene material.

Easily label syringes, cups, bowls, and other procedural basins with labels designed to work on both flat and contoured surfaces.

Product Number	Description

K13-00476	Sterile Pen
K13-XXXXX	Custom Pal

Waterproof PAL labels will stay secured on syringes and are smear resistant to ensure legibility.

PAL labels are available in several sizes and shapes to meet all your labeling needs.

All products packaged in a single sterile pouch - 25/box and 10/case.

\*When label is completed at the time the medication or solution is prepared.
