HEMOSTASIS

INTEGRATE

Merit Medical offers the most comprehensive suite of products for pedal access. From Set Up & Access to Hemostasis, we provide all the right tools to help optimize the **EFFICIENCY** of your pedal procedures. We listen to our customers and as a result we're focused on providing products with **RELIABLE** quality to meet your specific needs.

PROMOTE SAFE PREPARATION...

Merit Medical has a complete line of products designed to ensure the **SAFETY** of clinicians and patients. Shielded scalpels, needles, and secure temporary sharps holders help **PROTECT** clinicians from accidental sharps injuries. Closed containers help **PREVENT** hazardous spills and allow convenient and safe waste disposal. Multi-color options and smear-resistant labeling for syringes and containers help meet safety goals by aiding the prevention of medication errors.

PROVIDE PATENT HEMOSTASIS

Merit Medical's compression device assists in maintaining **COMFORTABLE**, convenient hemostasis following vascular access procedures. The Safeguard pressure-assisted device helps provide **PATENT HEMOSTASIS** with clear **VISIBILITY** to the puncture site. The same compression technology is also applied to a femoral hemostasis device for those cases where a femoral access site is also needed.

SafeGuard® 12cm
Compression Device

CUSTOMIZE FOR EFFICIENCY

The pedal approach requires **INTEGRATED** custom kits and trays that anticipate your workflow to **OPTIMIZE** the needs of your laboratories. An integrated procedure pack from Merit Medical Systems can be built with your preferred pedal and interventional products and accessories, **ORGANIZED** in the order that they are needed.

EFFICIENT.
ACCURATE.
RELIABLE.

At every step in your procedure, Merit Medical offers high-quality products designed to meet your clinical needs. From Set up & Access to Hemostasis, Merit products will help you achieve the clinical, economical, and procedural efficiency that is essential for delivering the best possible care.
